

J.D. Edwards Solutions

Running With JDE? So Are We.

J.D. Edwards **IS** our business. RMB has some of the most experienced consultants in North America. All of our consultants have many years experience in direct JDE implementations. Experience that we have bottled into reusable templates that enable our customers to accomplish their objectives quickly, more cost effectively, and with less risk. RMB has “been there, done that”. We know what is possible with JDE. Let us show you.

Oracle's most widely implemented ERP and EAM package, J.D. Edwards, provides a unique combination of power, flexibility, and scalability sought by larger corporations. Capable of serving both as an enterprise and a business unit level solution, J.D. Edwards has been implemented by RMB in dozens of sites around the world.

RMB has provided support for J.D. Edwards customers since 1991.

Upgrading with JDE? No Problem!
